MONDAY REPORT CHIPATA, ZAMBIA

The Bedwell's in Eastern Zambia

Good Morning!! I hope you had a wonderful week! The past two weeks has been a crazy whirl-wind!! Mandy went in for her 38 week appt for Baby Makayla at 10 am and the doctor said she needs to come today. So off to the delivery side of the hospital we went and by 2:00 pm Miss Makayla Mae was here! She and Mandy are doing great! We are resting at my grandmothers house we are staying at right now for a couple weeks while we work on the paper work needed for her to return to Zambia. We are going tomorrow to submit for the passport and other paperwork needed for that. Please pray that it goes through smoothly.

Prayer Request:

1. Makayla Passport and paper work
2. The continued prep for our return with a newborn
3. Continued ministry relationships in Chipata/Mambwe/Mfuwe
4. The drought and continued need to help with food for the people of Zambia.

PRAISES:

1. Mandy is healthy after the delievery
2. Healthy delivery of Makayla
3. The Lord providing a house to return to in Zambia

The Lords timing

Please pray for us as we are trying to get everything together to be able to get back to Zambia and begin with what the Lord has laid out in front of us. We are eager to get back to Chipata and continuing evangelism and Bible study as the Lord leads us on planting the church in the City of Chipata. We are eager to return and start discipling a couple of people who are wanting to grown in there personal relationship with Christ!! Praise the Lord
Please pray for Mandy and I as we transition back to Zambia with a 4 year old and a ten week old.

Currently the country is experiencing major drought along with power outage, like you may have heard me talk about before. Most days there is only 3-5 hours of power and some days less than that. We are extremely thankful for those who gave for our solar. It has been ordered and prayerfully will be installed in the coming months when it arrives.

We love you all
